

**MINUTES OF THE WORK OF THE JURY
"TORSANLORENZO INTERNATIONAL PRIZE" 2011**

At 08.15 a.m., on the 20th of April 2011 at Fiera di Genova, in occasion of Euroflora, the following members of the Jury are present:

Kongjian Yu (UIA)

Virginia Laboranti (IFLA)

Susan Hatchell (ASLA)

Nigel Thorne (EFLA)

Gonzalo Sàenz Calvo (FEAP)

Giorgio Parodi (CNAPPC)

Riccardo Pisanti (CONAF)

Anna Sessarego (AIAPP)

Carole Smith (TORSANLORENZO INFORMA)

Mario Margheriti

The members elect as President of the Jury: **VIRGINIA LABORANTI**.

The Jury decides to accept all the submitted projects.

The Jury decides to move the projects 16B and 30B to section A and the project 23B to section C.

Following the sequence of votes, the following projects are the winners:

SECTION A - LANDSCAPE DESIGN IN TRANSFORMATION OF THE TERRITORY

Actions for environment restoration, renewal and recovery

1st Prize: *Project 31 – Tangsham Nanhu Central Landscape Design, Tangsham City, Hebei Province, China*

Interesting example of transformation through a sustainable reclamation of the entire environment.

2nd Prize: *Project 40 – Bath and community building Camaraderies, Seklerland, Romania*

Project interesting for its participation of the local volunteer work from handcraft skills, materials, accommodation or food and prayer and performed with respect of nature's features and treasures.

Honorary mention: *Project 7 – Restoration of an historical Barco of Seventeenth century and its unique garden, Ariccia (Rome), Italy*

The project combines the theme of the architectural restoration with that of environmental recovery, without altering the essence of the place.

.

SECTION B - URBAN GREEN SPACES

The quality of projects in cities: squares, neighbourhood green spaces, urban and private parks

1st Prize: *Project 38 – Centennial park in Chapulco Lagoon, Puebla, Mexico*

The project enhances an intervention of recovery of a lake which produces beneficial effects from an environmental and landscape point of view. It facilitates the green education.

2nd Prize: *Project 43 – The Reinterpreted Mediterranean Landscape – Outdoor and indoor spaces for a Cardiochirurgical Hospital, AHI American Heart Institute, Nicosia, Cyprus*

The project is considered both for its simplicity and for its artistic sense. It is in perfect harmony with the surrounding landscape and the final users of the building.

SECTION C: PRIVATE GARDENS IN CITIES AND SUBURBS

1st Prize: *Project 13 – Born in a wave, Zapallar, Chile*

The project is impressive for its beauty at first sight as well as for the varieties in the choice of plants. It succeeds in creating a dialogue between the garden itself and the surrounding landscape.

2nd Prize: *Project 25 – Cliff roof garden, Rijeka, Croatia*

The project masters green roof techniques. It offers a contemporary solution of a hanging garden in a complicated site.

Envelopes with secret data are opened and verified and the winners officially declared.

The Jury confirms the winners.
